Re: 2010 Umpire Fees

This letter shall act as official verification for Umpire Fee's in the City of Stamford Softball League.

The fee for umpires for the 2010 Summer Softball Season is \$30 per team per game. We schedule each team to play approximately 12-14 games, plus the playoffs (1-4 more games). Each umpire must be paid cash before the start of each game. The Umpire will collect the fee before the game begins. It is the manager's responsibility to have the correct amount of money to pay the umpire. The umpire will not be expected to make change.

If you should need more information or have any questions, please call me at 977-4644.
