 Re: Forfeit Policy, May Laber Volleyball League  
 Date: July 29, 2014

The City of Stamford has a Zero Tolerance Rule for forfeits. After years of dealing with forfeits and the frustration it causes members of the league, league officials and league administrators we have come up with a policy that will severely punish teams that forfeit.

If your team forfeits in 2014/15 they will temporarily be removed from the league until the forfeit is paid. Your team will have until the next scheduled game to get TWO (\$20.00 each) checks to the Stamford Recreation office: one check made out for each official. We will supply the official(s) name(s) the next day to help process the check. Once we receive the check your team will be reentered into the league. If we do not receive the payment from your team they will be removed from the league permanently.

If a team forfeits twice from the league, they will be permanently removed.

A Forfeit is defined as when a team notifies our office less than 24 hours prior to their game, that they will be forfeiting their game; shows up to the field without enough players to participate or fails to show up to a scheduled game without notice.

We CANNOT accept checks made out to the City of Stamford or CASH, All checks must be made out to the officials-first and last name.

In consideration for playing in the league, I understand that by signing this form that I will be responsible for paying referee fee's if my team forfeits. I understand that if I do not pay the fee that my team will be removed from the league and I, as well as my teammates will be suspended until the forfeit fee is paid.
