

# Stamford American Little League Challenger Baseball Program

S.A.L.L. Provides a baseball program for ALL children with disabilities and special needs.

Our program is open for kids who live in Stamford from the ages of 4 to 18, or up to age 22 if still enrolled in school.

Our program is designed to give ALL children a chance to play baseball just like their peers.

At each game we provide a “Buddy” system where each child has a partner to assist him or her in the game so that their parents can enjoy watching them and not have to assist.

The season begins in late April and runs through late June and we have a 12 game schedule. We play games here in Stamford at Kane Ave. as well as in other towns against other Challenger Teams.

Games are played on Saturday and Sunday and we have 1 practice each week.

The cost of the program is \$25 for the season and includes a uniform.
