FORFEIT CONTRACT

To: Beach Volleyball Managers
From: Recreation Team
Re: Forfeit Policy
Date: April 30, 2014

The City of Stamford has a Zero Tolerance Rule for forfeits. After years of dealing with forfeits and the frustration it causes members of the league, league officials and league administrators we have come up with a policy that will severely punish teams that forfeit.

If your team forfeits in 2014 they will NOT be permitted to participate in the Beach Volleyball PLAYOFFS.

If your team forfeits a 2nd time they will be removed from the league.

If your team forfeits out of the league, they will NOT be invited back for the next season.

A Forfeit is defined as when a team notifies our office on game day that they will be forfeiting their game; shows up to the field without enough players to participate or fails to show up to a scheduled game without notice.

In consideration for playing in the league, I understand that by signing this form that I understand the above information regarding the league rules.
