

Dear Players and Managers,

Planning for the 2018 season is well underway!!

Take a look at our website, www.stamfordrecreation.com, and take a peek at the softball page.

There you will find:

- 2018 Team Applications
- 2018 Meeting dates/times (Dates and times on reverse side)
- 2018 League Proposed assignments & updated rules will be posted on January 4.

We introduced the new Quickscores website a few seasons ago and it helped streamline the scheduling process and helped us post scores/standings.

I look forward to meeting with everyone soon!!

Wishing you a happy and healthy 2018.

Sincerely,

Meg Gearhart
Assistant Superintendent
