TOR SUMMER CAMP 2026

Week 4 at TOR

What a fun-filled week we had at TOR Camp! There was never a dull moment, and our campers stayed busy making memories all week long.

We kicked off the week on Monday with Hat Day, and it was so much fun seeing all of the creative hats our campers wore!

On Tuesday, our Munchkins, Cake Pops, Cupcakes, and Churros enjoyed a trip to Scalzi Park, where they had a blast playing on the playground and cooling off at the splash pad. Back at camp, many of our other campers participated in exciting water activities to beat the heat. We were also fortunate to welcome a special guest from Stamford High School, who led a fun lacrosse clinic for several of our groups. To top off an already exciting day, Mister Softee stopped by in the afternoon for a sweet treat that everyone looked forward to!

Wednesday was one of our favorite days of the summer—Decades Day! Campers and staff came dressed in outfits representing different decades, and it was so much fun seeing everyone's creativity and school spirit. The highlight of the morning was our Decades Scavenger Hunt, where campers worked together to search the camp for items from different decades before racing to place them in the correct order on a timeline from the 1950s through the 2010s. It was a fun way to test their teamwork and knowledge of history while earning valuable Color Wars points. Congratulations to the Red Team for taking home the victory! Great job to all of our campers for their enthusiasm, teamwork, and sportsmanship throughout the competition.

On Thursday, we took an educational field trip to the Peabody Museum in New Haven. Campers explored fascinating exhibits, participated in hands-on activities, and enjoyed learning about dinosaurs, fossils, animals, and the natural world. It was a wonderful opportunity for campers to learn while having fun, and they represented TOR Camp exceptionally well throughout the day.

We wrapped up the week on Friday with an entertaining magic show that had campers laughing, smiling, and wondering, "How did he do that?" It was the perfect way to end another incredible week of camp. We were also excited to welcome back the Rio Ice Cream Truck, giving campers one more chance to cool off with a delicious frozen treat before heading home.

As always, don't forget to scan the QR code and check our Google Drive throughout the summer! We continue to upload photos so you can catch a glimpse of all the fun your campers are having each week.

Thank you for another amazing week! We hope everyone has a wonderful weekend, and we can't wait to see everyone back for another week of summer fun!
