

Stillmeadow Camp Newsletter!

July 13th - 17th, 2026

This Week!

This week we danced our way through the decades, celebrating music and fashion from many different eras. On Thursday, we hosted our annual family day, welcoming families with performances from each group! Stillmeadow put on quite the show! We also took our second trip of the summer to the Peabody Museum, where campers took in dinosaur fossils and various historical artifacts! We also welcomed Stamford Youth Lacrosse and CT City Lacrosse for a guest visit! Our older campers learned how to scoop, shoot, and dodge during the visit.

Important Reminders

- Mondays & Wednesdays are water days
→ pack a change of clothes and towel
- Please bring a water bottle daily for camp as we will be outdoors
- Thursday 7/23 → Circus Show starting at 10
- Friday 7/24 → Wear your best costume for our parade
- Friday 7/24 → Science Heroes at 12:15

Next Week:

Things are starting to get spooky here at Stillmeadow! Spiderwebs and skeletons are taking over, and campers will need to help us sort out this mess. During Camp-O-Ween week, we will welcome campers to wear their best costume on Friday for a camp-wide trick-or-treating parade! We will also be having a circus show come on Thursday, which should be very exciting! On Friday, we will also welcome Science Heroes!

Art Highlights

We worked a lot on creating decorations for family day and decades week!

Campers played baseball related games & matball. We played running bases.
