

# Stillmeadow Camp Newsletter!

June 29<sup>th</sup> - July 3<sup>rd</sup>, 2026

## This Week!

Our summer at Stillmeadow Camp is heating up... literally! Campers enjoyed running through the sprinkler, taking a dip in the pool, and water games to beat the heat. We also had a special visit from Kona Ice this week to cool down. We kicked off color wars this week, which will be going on for the rest of the summer!

### Next Week:

We will be getting wet & wild as campers will participate in a variety of water games for color wars points! This wacky week will be full of fun water activities, from dashing over sprinklers to surfing across slip-and-slides. Get ready to make a splash! **Please be sure to pack a change of clothes, towel, and water bottle this week as we will be playing water games DAILY.** We will also be going on our first field trip of the summer to the Bowling Alley on Tuesday, July 7<sup>th</sup>.

### Art Highlights

We worked on firework collages to highlight Independence Day and celebrate the firework show!

### Sports Highlights

Campers were introduced to basketball related games like knockout and poison & also played soccer with a giant ball!

### Important Reminders

- 7/7 Bowling Field Trip - bus departs at 11:15 sharp & will return around 3:45. **Please be sure to wear your camp t-shirt!**
