

BARRETT PLAYGROUND NEWSLETTER!

August 3 -7th, 2026

Our summer here at Barrett flew by probably because we were having so much fun! During our final week, we got competitive with our parents during our Family Day celebration! Family Day was a huge success, thanks to all of our generous donations and fun families! For our last couple of days, we played Circle Dodge Ball, beaded necklaces and bracelets, and said our goodbyes to camp friends. We hope we gave them a positive and fun summer camp experience that they will remember for a lifetime. We wish you and your family a restful rest of your summer and a wonderful school year! See you back next summer!
