## TOR SUMMER CAMP 2026

### Week 2 at TOR

What a fun-filled second week of camp! As the temperatures started to rise, we found plenty of ways to keep our campers active, cool, and smiling.

On Tuesday, some campers enjoyed a trip to Scalzi Park to explore the splash pad and playground, while the rest of camp stayed back for exciting water activities with Coach J. The fun continued in the afternoon when the Stamford Recreation Department treated everyone to Kona Ice a perfect way to cool off on a hot summer day!

Our campers had so much fun with the water activities that we brought them back on Wednesday! They enjoyed relay races, water games, and cooling off with water blasters that were generously donated to camp. Thank you to everyone who has donated supplies to help make this summer so special!

On Thursday, we celebrated the Fourth of July a little early with backyard games including cornhole, jumbo Connect 4, bocce, jumbo tic-tac-toe, patriotic tattoos, and more. We loved seeing everyone dressed in their red, white, and blue!

It's been wonderful watching friendships grow and seeing our campers become more comfortable and confident each day. Thank you for sharing your amazing children with us. We hope everyone has a safe and happy Fourth of July, and we can't wait to see everyone back for another week of Sweet Vibes!
