This Week at Camp

Camp-O-Ween week was a huge success! Campers had so much fun celebrating with our Friday dress-up day, and everyone looked absolutely adorable in their creative costumes. We were lucky to have beautiful weather all week, making it the perfect backdrop for a week full of smiles!

One of the highlights was Thursday's amazing circus show, which brought both camps together for a fun-filled experience. We wrapped up the week with our festive Halloween parade on

Friday, it was wonderful to see our campers showing off their costumes and celebrating together. It was an all-around fantastic week, and we can't wait for more summer fun ahead!

Looking Ahead

Get ready for a tropical adventure! Next week our camp theme is Luau Week, and we'll be celebrating with fun island-inspired activities, games, crafts, and plenty of summer excitement.

Don't forget that Wednesday is Water Day! Please send your camper to school wearing their bathing suit, with sunscreen already applied, and bring a towel and a change of clothes.
