LUAU & WET'N WILD WEEK!

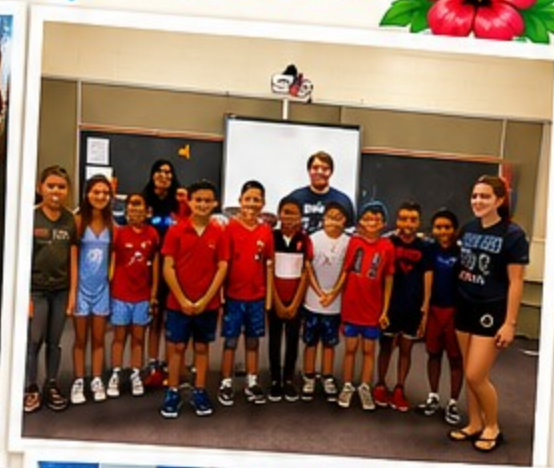

ANOTHER AMAZING WEEK AT STAR CENTER CAMP!

We had an amazing second week here at Star Center Camp! Our campers continued making new friends, trying new activities, and creating wonderful summer memories. It has been great watching everyone settle into camp and enjoy all the fun that Star Center has to offer.

One of this week's highlights was our All-Camp Activity, where campers enjoyed a fun twist on Musical Chairs by using hula hoops instead of chairs! Everyone had a great time laughing, cheering each other on, and showing wonderful sportsmanship.

We also found plenty of ways to beat the heat! Campers were excited for the first visit of the summer from the Mr. Softee Ice Cream Truck, and the Kona Ice Truck helped everyone cool off during another hot week at camp.

Many campers also enjoyed a fun trip to the Splash Pad at Scalzi Park. Campers who didn't get to attend this week will have their turn next Wednesday!

SPORTS SPOTLIGHT WITH COACH ASHLYN

Campers stayed active all week by playing exciting games like:

Capture the Colors

Rock, Paper, Scissors
Hula Hoop Showdown

REMINDER: CAMPERS MUST WEAR **SNEAKERS EVERY DAY** TO PARTICIPATE IN SPORTS ACTIVITIES.

ART CORNER WITH MS. TAYLOR

Our campers had another creative week in Art!

They designed colorful Summer RVs and Camper Vans and painted beautiful fireworks in celebration of Independence Day.
