

Tiny Tots Camp Newsletter

This Week at Camp

We had another fantastic week at camp! Water Wednesday Day was a big splash and a huge hit! The children had so much fun cooling off and enjoying all of the water activities.

On Thursday, Mr. Bungles had everyone laughing with his silly antics, and all of our campers looked absolutely adorable dressed in their red, white, and blue!

Looking Ahead

Next week's theme is Camping. We're looking forward to a week full of outdoor-inspired adventures, crafts, stories, and fun activities.

Wednesday is Water Day! Please come to camp dressed in water clothes and water shoes. Don't forget to bring a towel and a change of clothes labeled with your child's name.

Reminders!

As always, please apply sunscreen before arriving at camp each day so everyone can safely enjoy our outdoor activities.

June 29 - July 3, 2026
