FORFEIT CONTRACT

To: Team Managers
From: Meg Gearhart
Re: Forfeit Policy
Date: December 6, 2022

The City of Stamford has a Zero Tolerance Rule for forfeits.

If your team forfeits in 2023 the fee must be paid in full to the recreation office within 24 hours of your forfeit or your team will forfeit their next scheduled game as well.

Your team must supply TWO (\$30.00 each) checks to the Stamford Recreation office: one check made out for each official. We will supply the official(s) name(s) the next day to help process the check. If we do not receive the payment from your team they will be removed from the league permanently.

If a team forfeits twice from the league, they will be permanently removed.

A Forfeit is defined as when a team notifies our office less than 24 hours prior to their game, that they will be forfeiting their game; shows up to the field without enough players to participate or fails to show up to a scheduled game without notice.

We CANNOT accept checks made out to the City of Stamford or CASH, All checks must be made out to the officials-first and last name.

In consideration for playing in the league, I understand that by signing this form that I will be responsible for paying referee fee's if my team forfeits. I understand that if I do not pay the fee that my team will be removed from the league and I, as well as my teammates will be suspended until the forfeit fee is paid.
